The chief criticism was of the appropriation by council of money for purposes in which members were directly interested. Others were on technical errors of little importance. Clerk Hiers was highly complimented for the excellent and systematic way in which he had kept the books of the village.

TOLEDO MAN EXPECTED TO DIE BY
SEPTEMBER 20—BUT CHANGED MIND

Real Estate Dealer Finds New
Life in First Dose of
Mayr Remedy.

D. L. Bower, treasurer and manager of the New Overland Real Estate Exchange of Toledo, thought death was close upon him. He suffered from derangement of the stomach and digestive tract and his condition was highly discouraging.

He took Mayr's Wonderful Stomach Remedy. Then he cheered up and went to eating. He had new interest in life.

J. W. Wood, Mr. Bower's partner, wrote: "This remedy is surely one of the greatest medicines I ever heard of. My partner spent \$2,000 with renowned doctors in trying to get relief. He gave himself until about the 20th of September to live. He has taken three doses of your remedy. Now he can eat and sleep without any distress."

Many Spanish coins under date of 1805 and all new, were found imbedded in a stone foundation under an old house being torn down. The house is 100 years old, and who put the coins there is a mystery.

Mr. Bower's experience was like that of hundreds who have suffered just as he did. Mayr's Wonderful Stomach Remedy is known all over the country. Thousands have discovered its remarkable merit.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings quick relief to sufferers from ailments of the stomach, liver and bowels. Many declare it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to all drug store and ask about the results it has been accomplishing—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and grateful letters from many people who have been restored. Any druggist can tell you of its wonderful results.

Dogs captured a rabbit in the yards of the American Shipbuilding Co. in Lorain which doctors claim is affected with the foot and mouth disease which has been prevalent among cattle.
